Hello Amazing Ferris Bueller Class!

Welcome to your new online ZOOM Scene Study Class! I am excited to be moving your class online and we are going to make the most of our time online together!

I hope you enjoy your new online Portal Page. Here you will find everything you need for class - from your purple folder materials (now fillable online) to your scenes, and homework. Please take a moment and explore this page. We are going to be adding more content in the upcoming weeks, so check back frequently. It will be your home-base for all things Ferris and #CBYAS!

I am so happy to be able to continue this class with this wonderful group! It's important right now for us to come together and express ourselves, lean on one another, and use our time together to create, imagine, and explore. Acting is a muscle that needs to be worked out...and this class will keep giving you the means to be able to grow even in this crazy time.

This class will continue to be an amazing Scene Study Class! I still expect full participation and commitment from all of you!

We will be continuing to work on our assigned scenes with our regular scene partner. Your scene will be available on your portal page if you need a new copy. If you are due to get a new scene, you will be able to download it as soon as we assign it to you. You will do your Table Read in the online class. Download the blue paper "6 Questions" found in your "Folder Items" on your Portal Page. (You can now fill it out online in the fillable PDF.)

You will also be assigned HOME-FUN every week and it can be found in your HOME- FUN box on your Portal Page!

Although we may not be face to face, we're going to have a GREAT class! Class will start ON TIME every Thursday at 4:30pm and end at 7:30pm.

Please allow yourself some space to move around during class, and we will begin every class with our ACHIEVEMENTS/ GRATEFUL/GOALS of course!

If you are going to be absent or late to our Zoom Class for any reason, please make sure to fill out this link www.cynthiabain.com/absent as soon as you know! This helps us with the planning for class.

I am so looking forward to seeing you all of you on Thursday and can't wait to see what magic we can create - even from our computer screens!

with love,
your teacher,

Cynthia
